SUBJECT: Public Hearing—Kensington and Vicinity Sector Plan

The Planning Board will hold the public hearing for the Kensington and Vicinity Sector Plan on July 9. (Mayor Fosselman has been invited to join the Board in conducting the hearing.) This hearing offers an opportunity for the Board to hear public testimony on the Sector Plan's recommendations for land use, zoning, transportation, the environment, parks and open space, and urban design. Public hearing testimony will become part of a formal record and will be discussed at subsequent Planning Board worksessions on the Sector Plan. Written testimony as well as oral testimony will be fully considered. Planning staff recommends that the public hearing record be kept open until July 24. The first worksession is scheduled for July 30.

A copy of the Plan is attached. The Plan is also available at local libraries and can be viewed online at <http://www.montgomeryplanning.org/community/kensington/index.shtm>
