SUBJECT: Worksession 3: Water Resources Functional Plan, review of markup changes to the Public Hearing Draft

RECOMMENDATION: Review and approve markup changes to the Public Hearing Draft Water Resources Functional Plan and approve transmittal to the County Executive and County Council as the Planning Board Draft.

Background

On February 11, 2010, and March 25, 2010 Worksessions were held on the proposed responses to comments received on the Public Hearing Draft Water Resources Functional Plan.

The purpose of this Worksession is to review the markup copy of the Public Hearing Draft Plan that reflects those changes and some additional minor staff edits. Attached is a copy of the Public Hearing Draft with changes shown. The changes shown in **red** are part of the Planning Board approved responses to the comments received during the Public Comment Period. The edits shown in **blue** are minor staff changes for clarity and consistency with more recent information.
