Description

Attached please find a revised, redlined version of the Resolution for Limited Site Plan Amendment No. 81994026B (Montgomery Industrial Park, Lot 33), which makes three corrections to the resolution approved on October 10, 2013; it has not yet been mailed out. All of these changes were correctly shown in the staff report, but were inadvertently omitted from the Resolution. All three corrections are in the zoning data table, which is on pages 4 and 5 of the full Resolution (attached).

Staff is requesting that the Planning Board approve these corrections to the Resolution.
