Gaithersburg, MD 20878

Re: Forest Conservation Exemption 42018214E; Muncaster Mill Rd/Emory La Shared Use Path
NRI/FSD

Dear Ms. Shepherd:

Based on the review by staff of the Montgomery County Planning Department, the Forest Conservation Exemption request submitted on July 16, 2018 for the Muncaster Mill Rd/Emory La Shared Use Path NRI/FSD is confirmed. The project site is exempt from Article II of the Montgomery County Code, Chapter 22A (Forest Conservation Law), Section 22A-5(e) because the site is a State or County highway construction activity that is subject to Section 5-103 of the Natural Resources Article of the Maryland Code or Section 22A-9 of the Forest Conservation Law. A Tree Save plan must be submitted as a condition of this exemption confirmation. Please include the M-NCPPC sequence of construction on the plan found at:

http://www.montgomeryplanning.org/development/forms/FC_Sequence_of_Events.pdf.

A pre-construction meeting is required prior to any clearing and grading. The Montgomery County DOT Project Manager, contractor, this M-NCPPC Forest Conservation Inspector, the Montgomery County Department of Permitting Services Sediment and Erosion Control Inspector and Right-of-Way Inspector, and a private Maryland licensed Tree Expert should attend this meeting.

You may contact me at david.wigglesworth@montgomeryplanning.org or at 301-495-4581 if you have further questions.

Sincerely,

David Wigglesworth

Sr. Planner
Development Application and Regulatory Coordination Division
