OFFICE OF THE CHIEF INFORMATION OFFICER (CIO) INTERNAL SERVICE FUND

Operating Budget Request

The CIO Proposed Budget request is \$2,108,553 an increase of 5.5% over the FY25 Adopted Budget. The adjustment is due to:

- **Personnel Services** Total cost projected to increase by \$3,500 resulting from reduced benefit elections, salary markers and preliminary retirement estimates.
- Other Services and Charges The increase in consulting fees is driven by inflationary
 escalation of expert consulting costs in areas of cybersecurity, network infrastructure,
 and an overall increase in consulting costs motivated by increased demand for such
 expertise.

The base operating budget for the CIO is anticipated to increase by \$110,015, or 5.5%.

The FY26 CIO budget allocation is 44.2% (\$931,884) to Montgomery and 55.8% (\$1,176,669) to Prince George's.

Commission-wide Licenses and Subscriptions

The total amount for ongoing licenses and subscriptions is \$5,848,272, representing a 11.5% increase of \$602,272 over FY25. This increase is primarily due to license restructuring by Microsoft for subscriptions under the renewed Microsoft Enterprise Agreement (EA) and the addition of 450 copilot licenses, as well as inflationary increases to our other licenses.

COMMISSION-WIDE IT (CWIT) INTERNAL SERVICE FUND

The CWIT Internal Service Fund (ISF) budget is developed in coordination with the Information Technology (IT) Council to properly advance agency-wide programs and systems. Continual evaluation of and updates to these systems are critical to ensure the security of the agency's assets, greater efficiency of systems which enhance employee productivity, and effective continuation of operations for the agency to continue function during times of crisis. This budget is funded through direct contributions from the departments based on usage allocations.

Financed Continuing Project Budget Requests

The FY26 request to fund ongoing and financed projects is \$742,987 - the same as FY25 Adopted levels. Of which, Montgomery's totals \$287,198 (Planning \$8,634 and Parks \$278,564) and Prince George's totals \$455,789.
