**Further Subdivision of a Commercial, Industrial or Multi-Family Residential Lot to Reflect a Change in Ownership, Deed, Mortgage or Lease Line.** The creation of deed, mortgage or lease line within a commercial, industrial or multi-family residential lot does not require the approval of a new subdivision plan. At the owner's discretion, the creation or deletion of internal lots to reflect a new deed, mortgage or lease line may be platted under the minor subdivision procedure. All prior conditions of approval for the original subdivision remain in full force and effect and the number of trips generated on any new lot will not exceed those permitted for the original lot or as limited by an Adequate Public Facilities agreement. Any necessary cross-easements, covenants or other deed restrictions necessary to perpetuate previous approvals must be executed prior to recording the record plat.
