WHEREAS, at the hearing, the Planning Board voted to approve the Application subject to certain conditions, by the vote as certified below.

NOW, THEREFORE, BE IT RESOLVED THAT, the Planning Board approves Preliminary Plan No. 11999034E to remove a total of 13,442 square feet of Category I Conservation Easement from the Subject Property subject to the following conditions:¹

¹ For the purposes of these conditions, the term "Applicant" shall also mean the developer, the owner or any successors in interest to the terms of this approval.
1. The Applicant must submit a complete record plat application within ninety (90) days of the mailing of the Planning Board Resolution approving the limited amendment to the Preliminary Plan that removes the entire Category I conservation easement. The existing conservation easement remains in full force and effect until the record plat is recorded in the Montgomery County Land Records by the Applicant.

2. The Applicant must submit a Certificate of Compliance to use an M-NCPPC approved offsite forest mitigation bank within ninety (90) days of the mailing of the Planning Board Resolution approving 11999034E. The Certificate of Compliance must provide 0.60 acres (26,884 square feet) of mitigation credit for the removal of 0.30 acres (13,442 square feet) of Category I conservation easement taken offsite.

3. All other conditions of Preliminary Plan No. 119990340 and Forest Conservation Plan No. 119990340 that were not modified herein, as contained in the Planning Board's Opinion dated February 4, 1999, remain in full force and effect.

BE IT FURTHER RESOLVED that all other preliminary plan conditions of approval for this project remain valid, unchanged and in full force and effect.

BE IT FURTHER RESOLVED that having considered the recommendations and findings of its Staff as presented at the hearing and as set forth in the Staff Report, which the Board hereby adopts and incorporates by reference (except as modified herein), and upon consideration of the entire record, the Planning Board FINDS, with the conditions of approval, that:

1. Except as specifically set forth herein, this Amendment does not alter the intent, objectives, or requirements in the originally approved preliminary plan, and all findings not specifically addressed remain in effect.

2. The Application satisfies all the applicable requirements of the Forest Conservation Law, Montgomery County, Chapter 22A.

Mitigation offsite equal to twice the area of conservation easement removal and abandonment of the existing Category I Conservation Easement will more than compensate for loss of the original forest conservation requirements.

BE IT FURTHER RESOLVED that this Resolution constitutes the written opinion of the Board in this matter, and the date of this Resolution is NOV 16 2015 (which is the date that this Resolution is mailed to all parties of record); and
BE IT FURTHER RESOLVED, that any party authorized by law to take an administrative appeal must initiate such an appeal within thirty days of the date of this Resolution, consistent with the procedural rules for the judicial review of administrative agency decisions in Circuit Court (Rule 7-203, Maryland Rules).
