Legal Department staff briefly discussed recent updates to the M-NCPFP Park Rules and Regulations in anticipation of its adoption by the Full Commission. Staff noted that following the Public Hearing held on July 28, staff was instructed by the Planning Board to hold a meeting with concerned citizens and community group representatives, and to relay the results of that meeting to the Board. The meeting was held on September 30 and a revised draft of the Park Rules and Regulations was given to the attendees, which included among others, Montgomery County Road Runners, Conservation Montgomery, Mid-Atlantic Off-Road Enthusiasts, and Montgomery Countryside Alliance. At the request of the attendees, a second meeting was held on January 3, 2017. The two meetings largely revolved around three topics: 1) the rules update process; 2) changes to the rules regarding bicycle trail use; and 3) the Parks Department directive process. Following the meetings staff updated the Rules and Regulations report accordingly and submitted it to the Planning Board for discussion and approval today.

The following speakers offered testimony: Mr. Garrett Hennigan representing the Washington Area Bicyclists Association; Ms. Ginny Barnes representing the West Montgomery Citizens Association; and Ms. Carol Hunt Taylor representing the Montgomery Countryside Alliance.
