CALL "MISS UTILITY" AT  
1-800-257-7777  
48 Hours Before Start Of Construction

The excavator must notify all public utility companies of the location of all underground facilities in the area of proposed excavation and have those facilities located by the utility companies prior to commencing excavation. The excavator is responsible for compliance with requirements of Chapter 36A of the Montgomery County Code.

48 Hours Before Start of Construction

The excavator must notify all public utility companies with  
underground facilities in the area of proposed excavation  
and have those facilities located by the utility companies  
prior to commencing excavation. The excavator is  
responsible for compliance with requirements of Chapter  
36A of the Montgomery County Code.

CALL "MISS UTILITY" AT  
1-800-257-7777  
48 Hours Before Start of Construction

The excavator must notify all public utility companies with underground facilities in the area of proposed excavation and have those facilities located by the utility companies prior to commencing excavation. The excavator is responsible for compliance with requirements of Chapter 36A of the Montgomery County Code.
