Site Plan Violation  
Administrative Citation

Sent by Certified Mail

Dear Mr. Duffy:

This letter and the attached Administrative Citation directs the resolution of the outstanding violations to Site Plan 81988046E for the site plan known as City Place in Silver Spring.

On May 25, 2016, the Site Plan Inspector issued a Notice of Non-Compliance to Silver Spring Retail, LLC for failure to install bike racks in accordance with site plan 81988046E. That Notice of Non-Compliance required corrective actions to be implemented within 30 days. On December 30, 2016, the Site Plan Inspector conducted another inspection and found numerous items that needed to be installed in order to complete the project. In his summary notes, the Site Plan inspector identified a re-inspection date of February 6, 2017. On February 7, 2017, the Site Plan inspector issued a second Notice of Non-Compliance. To date those activities have not occurred. The Inspection Agency has forwarded non-compliance issues to me for enforcement. As a result, the Montgomery County Planning Department is issuing the attached Administrative Citation because Silver Spring Retail, LLC is still not in compliance with certified site plan 81988046E. The Administrative Citation includes a $500 civil fine. If the remedial actions are not completed and inspected by the Site Plan Inspection staff by September 1, 2017 there will be an additional penalty of $500 per day until the violations are remediated.
If you have any questions concerning the Administrative Citation, please contact me at 301 495-4730, or mark.pfefferle@montgomeryplanning.org.

Sincerely,

Mark Pfefferle
