### RECOMMENDATION

Staff is seeking Planning Board approval of the Planning Board Draft of the Technical Update of the Master Plan of Highways and Transitways and approval to transit this Functional Master Plan and associated Technical Appendices to the County Council.

### INTRODUCTION

A Planning Board Draft of the Technical Update to the Master Plan of Highways and Transitways has been prepared and is attached with this staff report. This document incorporates Planning Board comments and direction received during the four previous worksessions. Also attached are red-lined pages of the Public Hearing Draft document including those pages where Planning Board comments/requested changes have been made. Large sections of text and tables requiring significant modifications have been added as a third attachment. Copies of the Technical Appendices will be provided to the Planning Board Commissioners at the meeting on May 3<sup>rd</sup>.
