Description
A. Site Plan No. 820180090, New Hampshire Ave. Restaurant Redevelopment: Requesting to extend the regulatory review period for an additional 2 months until 12/25/2018; an Application proposing the construction of an eating and drinking establishment (Burger King) with a drive thru, located on the southwest corner of New Hampshire Ave. and Cloverly Street, 0.77 acres, Neighborhood Retail Zone, 1997 Cloverly Master Plan.

B. Site Plan Amendment No. 81999004B, Safeway at Cloverly: Requesting to extend the regulatory review period for an additional 2 months until 12/25/2018; A request to reduce the number of parking spaces required for Safeway and removed the condition requiring shared parking on the former bank site, located on New Hampshire Ave., 200 feet south of Cloverly Street, 3.66 acres, Neighborhood Retail Zone, 1997 Cloverly Master Plan.

Summary
Chapter 59 of the Montgomery County Zoning Ordinance, Section 59.7.3.4.C, provides that the Planning Board shall hold a public hearing for Preliminary and Site Plans no later than 120 days after the date the application(s) are accepted. However, the Director may postpone the public hearing by up to 30 days once without Board approval and the Director or applicant may request one or more extensions beyond the original 30 days with Board approval.

Site Plan No. 820180090 and Site Plan Amendment No. 81999004B were accepted on March 7, 2018, which established a Planning Board date no later than June 5, 2018. The Planning Board granted a 5-month extension until October 25, 2018, in order to file a preliminary plan of subdivision which is required because the subject property is on part of a lot, not a recorded lot. The preliminary plan application has been submitted and the Applicant is now addressing final coordination issues involving bikeway master plan, PUEs, PIEs and stormwater management along their frontage on New Hampshire Ave. Granting the 60-day extension establishes a Planning Board date no later than December 25, 2018.

Staff recommends approval of the extension requests.

Site Plan review #820180090 was being handled simultaneously with Site Plan Amendment #81999004B and Preliminary Plan No. 120180260. The action date for both site plans was extended by Board action on May 31, 2018, in order to allow the processing of the preliminary plan to catch up with the pending site plans so that all three applications could be considered simultaneously. Unfortunately, the review of Preliminary Plan No. 120180260 has taken longer than expected due to complicated issues involving bikeway master plan, PUEs, PIEs and impacts on stormwater management measures. A sixty day extension is deemed adequate to complete the preliminary plan review so that all applications can be considered by the Board together.
