Summary
Zoning Ordinance Section 59.7.3.3.C provides a 90-day limit for sketch plan hearings. The Planning Board may, however, extend this period. The Applicant requested, in an application dated January 15, 2019 that the review period for the Sketch Plan Amendment be extended, from the current date of March 7, 2019 to April 11, 2019. The extension will allow for a joint hearing of the application with the concurrently submitted Site Plan Amendment, which will be more efficient. The Planning Board hearing on the applications may take place before the end of the review period and will be publicly noticed in accordance with the Zoning Ordinance. This is the first extension request associated with the subject project.

Staff recommends APPROVAL of the extension request.

Re: Ripley II, Sketch Plan Amendment No. 32015003B (the “Application”): Request for Extension of Review Period

Dear Ms. Dickel:

On behalf of Ripley West, LLC (the “Applicant”), we are submitting this request for an extension of the review period for the Application. Pursuant to Section 59-7.3.3.C of the Montgomery County Zoning Ordinance, the Montgomery County Planning Board (the “Planning Board”) is required to hold a public hearing on a Sketch Plan application within 90 days of acceptance of the application. However, in this case, the Sketch Plan Application is being processed concurrently with an amendment to the Site Plan (No. 82016007A) which, per Section 59-7.3.4.C of the Zoning Ordinance is on a 120-day review timeframe, rather than a 90-day review timeframe.

As a result, the Applicant is submitting this request for a 30-day extension of the review period for the Sketch Plan Application, so that it can be scheduled for public hearing before the Planning Board concurrent with the Site Plan.

Please contact us should you have any questions or require any additional information.

Very truly yours,

LINOWES AND BLOCHER LLP
