Andrus Property, Preliminary Plan No. 120180130, Regulatory Extension Request #3

Request to extend the regulatory review period for Preliminary Plan No. 120180130, from April 18, 2019 to June 27, 2019.

Location: West side of Greentree Road between Grubby Thicket Way and Barnett Road.
Zone: R-90.
Property Size: 5.38 acres.
Application Accepted: May 15, 2018.
Applicant: Andrus Group, LLC.
Review Basis: Chapter 50, Subdivision Regulations.

Summary
Section 50-4.1.E of the Subdivision Regulations generally states that Preliminary Plan applications must be scheduled for a public hearing within 120-days after the date an application is accepted.

The Application was accepted on May 15, 2018, and the Planning Board previously approved a three-month extension request from September 13, 2018 to December 13, 2018; and a four-month extension from December 13, 2018 to April 18, 2019.

The Applicant is requesting an additional extension from April 18, 2019 to June 27, 2019, because additional time is required to complete a right-of-way abandonment process with MCDOT and the County Council and address agency comments, including lot configuration, stormwater management, public storm drainage and public street design.

Staff supports the Applicant’s request to extend the review period from April 18, 2019 to June 27, 2019.

Applicant has continued to work with MCDOT and DPS regarding storm drainage and SWM Concept Plan processing. On Feb 22 we received further comments regarding the lot layout and configuration of the illustrative site plan concerning house types, driveways, exterior stairways, all of which had not been comments in the intial plan review. The Feb 22 review was not complete as it did not provide comments on the revised plan submittal from agencies or departments that had originally provided comments on the intial plan review.
