Michael,

This letter is to inform you that the Natural Resource Inventory/Forest Stand Delineation (NRI/FSD) 420170660 for Acorn Urban Park is approved. A Forest Conservation Plan can now be submitted to the Development Applications and Regulatory Coordination (DARC) Division in conjunction with any application to which it is a necessary component.

Since the property is subject to the Montgomery County Forest Conservation law there shall be no tree removal on the subject site prior to the approval of a Final Forest Conservation Plan. If there are any subsequent modifications to the approved plan, a separate amendment must be submitted to MNCPPC for review and approval prior to the submission of a Forest Conservation Plan.

If you have any questions regarding these comments, please feel free to contact me at (301) 495-2101 or at Tina.Schneider@mncppc-mc.org.

Sincerely,

Tina Schneider, Senior Planner
