Site Name: **Silver Spring Intermediate Neighborhood Park**

Sent To: wen.huang@montgomeryparks.org

Date & Time: 3/15/2019 11:02:51 AM EST

Status: **Released for Public Notice**

Dear Wen Huang,

The NOI/application referenced above for a permit for stormwater associated with construction activity in the MDE Permit Application Portal has **been released for Public Notice until 3/29/2019, with the following comments: Nothing further at this time. Thank you.**

MDE can issue permit coverage after the end of the public notice period if no one requests that MDE require an individual permit AND the NOI includes all required information, including documentation of erosion and sediment control plan approval by the appropriate approval authority. You can log in to the Portal and upload plan approval documentation at any time. If you have any questions or concerns regarding your status, contact MDE's Administrative Team for the General Permit for Stormwater Associated with Construction Activity at mde.constructionswnoi@maryland.gov or 410-537-3019.

Visit <https://egov.maryland.gov/mde/npdes> to access the MDE Permit Application Portal to view the status of your application or to access technical support.

Regards,

MDE Permit Application Portal Team
