Section 50.6.3.B.3 of the Subdivision Regulations provides that the Director shall take action on or hold a public hearing for Administrative Subdivision Plans no later than 90 days after the date that the applications are accepted. However, the Director may postpone the public hearing by up to 30 days once without Board approval and the Director or applicant may request one or more extensions beyond the original 30 days with Board approval.

Administrative Subdivision Plan No. 620190110 was accepted on June 13, 2019, which established a Planning Board date no later than September 13, 2019. A 30-day extension was granted by the Director to October 10th, 2019. The Applicant is requesting a second extension for one month in order to obtain final comments from the Rustic Roads Advisory Committee (RRAC) since two of the three proposed lots are accessed by way of a Rustic Road. This extension is to allow Staff time to incorporate any recommendations by RRAC into the Staff Report before proceeding to the Planning Board.

Granting the extension establishes a Planning Board date no later than November 11, 2019.

Staff recommends approval of the extension request.

We are requesting an extension for 1 months until 11/11/2019

Describe the nature of the extension request. Provide a separate sheet if necessary.

We are requesting a short extension of this application to allow additional time to collect the outside agency approvals needed to move the application on to the Planning Board. The Rural & Rustic Roads Advisory Committee must weigh on the plan since 2 of the 3 proposed lots are accessed by way of a Rustic road. The Committee met to discuss the plan on August 29th and a letter of recommendations is being prepared but has not been received as of this date. Other approvals including Well & Septic and Fire Department Access Review are in-hand at this time.

In order to allow the RRAC more time to prepare the letter and so there is adequate time for MNCPPC staff to review the letter and prepare the Staff report, we are requesting a 30 day extension.
