

**MONTGOMERY COUNTY PLANNING BOARD**  
THE MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION

MCPB No. 20-023  
Site Plan No. 81988018B  
Bethesda Place I  
Hearing Date: April 16, 2020

**APR 24 2020**

**RESOLUTION**

WHEREAS, under Section 59-7.1.2 of the Montgomery County Zoning Ordinance, the Montgomery County Planning Board is authorized to review site plan applications; and

WHEREAS, under Section 59-7.7.1.B.3, the Planning Board reviewed this site plan under the procedures and standards of the Zoning Ordinance in effect on October 29, 2014; and

WHEREAS, on April 14, 1988, the Planning Board approved Site Plan No. 819880180, for a mixed-use development with a maximum FAR of 277,940 square feet on 2.19 acres of CBD-2 zoned-land, located at the intersection of Old Georgetown Road and Woodmont Avenue ("Subject Property"), in the Bethesda CBD Policy Area and Bethesda CBD Master Plan ("Master Plan") area; and

WHEREAS, on June 18, 1998, the Planning Board approved (Resolution mailed on June 22, 1998) Site Plan Amendment No. 81988018A, to increase public use space by 718 square feet and reduce retail space by 718 square feet; and

WHEREAS, on January 2, 2020, Bethesda Place LP, Safeway Corp Holdings, and Bethesda Place II Associates LLC ("Applicant"), filed an application for approval of an amendment to the previously approved site plans for approval of the following modifications:

1. Redesign of the existing public use space; and
2. Modification of the office building entry at 7700 Wisconsin Avenue

WHEREAS, Applicant's application to amend the site plan was designated Site Plan No. 81988018B, Bethesda Place I ("Site Plan," "Amendment," or "Application"); and

WHEREAS, following review and analysis of the Application by Planning Board staff ("Staff") and other governmental agencies, Staff issued a memorandum to the Planning Board, dated April 3, 2020, setting forth its analysis of, and recommendation for approval of the Application, subject to certain conditions ("Staff Report"); and

WHEREAS, on April 16, 2020, Staff presented the Amendment to the Planning Board as a consent item for its review and action, at which time the Planning Board voted to approve the Amendment subject to certain conditions, by the vote certified below.

NOW, THEREFORE, BE IT RESOLVED THAT, the Planning Board adopts the Staff's recommendation and analysis set forth in the Staff Report and hereby approves Site Plan No. 81988018B to redesign the existing public use space and modify the office building entry at 7700 Wisconsin Avenue subject to the following Conditions 2, 4, and 8 that supersede the previous conditions, and Condition 16, 17, and 18 that are in addition to all other conditions, which remain in full force and effect:

2. Landscaping

- a. Prior to release of the bond under the Site Plan Surety and Maintenance Agreement, all onsite amenities, including, but not limited to hardscape, plant material, on-site lighting, onsite furnishings must be installed.
- b. The Applicant must install landscaping no later than the next growing season after completion of site work.

4. Public Art

- a. The Applicant must maintain the existing public art designed by artist Ned Smyth, and any proposed structural improvements, as illustrated on the Certified Site Plan.
- b. Significant changes to, including the removal of, the artwork will require a Site Plan Amendment.

8. Lighting

- a. Prior to Certified Site Plan, the Applicant must provide certification to Staff from a qualified professional that the exterior lighting in this Site Plan conforms to the latest Illuminating Engineering Society of North America (IESNA) recommendations (Model Lighting Ordinance MLO: June 15, 2011, or as superseded) for a development of this type. All onsite exterior area lighting must be in accordance with the latest IESNA outdoor lighting recommendations (Model Lighting Ordinance-MLO: June 15, 2011, or as superseded).
- b. All onsite down-lights must have full cut-off or BUG-equivalent fixtures.
- c. Deflectors will be installed on proposed fixtures in the public use space to prevent excess illumination and glare.
- d. Illumination levels generated from on-site lighting must not exceed 0.5 footcandles (fc) at any property line abutting public roads and residentially developed properties.
- e. Streetlights and other pole-mounted lights must not exceed the height illustrated on the Certified Site Plan.

16. Site Plan Surety and Maintenance Agreement

Prior to issuance of any building permit, sediment control permit, or Use and Occupancy Certificate, the Applicant must enter into a Site Plan Surety and Maintenance Agreement with the Planning Board in a form approved by the M-NCPPC Office of General Counsel that outlines the responsibilities of the Applicant. The Agreement must include a performance bond(s) or other form of surety in accordance with Section 59.7.3.4.K.4 [59-D-3.5(d)] of the Montgomery County Zoning Ordinance, with the following provisions:

- a. A cost estimate of the materials and facilities, which, upon Staff approval, will establish the surety amount.
- b. The cost estimate must include applicable Site Plan elements, including, but not limited to hardscape, plant material, on-site lighting, on-site furnishings. The surety must be posted before issuance of any building permit of development and will be tied to the development program.
- c. The bond or surety must be tied to the development program, and completion of all improvements covered by the surety for each phase of development will be followed by a site plan completion inspection. The surety may be reduced based upon inspector recommendation and provided that the remaining surety is sufficient to cover completion of the remaining work.

17. Fire and Rescue

The Planning Board accepts the recommendations of the Montgomery County Department of Permitting Services (MCDPS), Fire Department Access and Water Supply Section, in its letter dated March 5, 2020, and hereby incorporates them as conditions of approval. The Applicant must comply with each of the recommendations as set forth in the letter, which MCDPS may amend if the amendments do not conflict with other conditions of Site Plan approval.

18. No clearing or grading prior to Certification of Site Plan. Demolition and site preparation, including activities to facilitate access to businesses, are permitted.

BE IT FURTHER RESOLVED that all other site plan conditions of approval for this project remain valid, unchanged and in full force and effect

BE IT FURTHER RESOLVED, that, having given full consideration to the recommendations and findings of its Staff as set forth in the Staff Report, which the Board hereby adopts and incorporates by reference, the Montgomery County Planning Board FINDS, with the conditions of approval, that:

*Unless specifically set forth herein, this Amendment does not alter the intent, objectives, or requirements in the originally approved preliminary plan as revised by previous amendments, and all findings not specifically addressed remain in effect.*

5. *The site plan meets all applicable requirements of Chapter 22A regarding forest conservation, Chapter 19 regarding water resource protection, and any other applicable law.*

**Environment**

Site Plan 819880180 & 81988018A was approved prior to the adoption of the Forest Conservation Law, therefore no Forest Conservation Plan was required at that time. The Applicant received approval of an Existing Conditions Plan/Forest Conservation Exemption on August 27, 2019 (42020019E) which allows partial redevelopment of an existing non-residentially developed property; therefore, the Site Plan meets all Forest Conservation requirements.

The Application is exempt from any requirements of Chapter 19 as the renovations are considered ongoing maintenance.

BE IT FURTHER RESOLVED that this Resolution incorporates by reference all evidence of record, including maps, drawings, memoranda, correspondence, and other information; and

BE IT FURTHER RESOLVED that this Amendment shall remain valid as provided in Montgomery County Code § 59-D-3.8; and

BE IT FURTHER RESOLVED that the date of this written Resolution is APR 24 2020 (which is the date that this Resolution is mailed to all parties of record); and

BE IT FURTHER RESOLVED, that any party authorized by law to take an administrative appeal must initiate such an appeal within thirty days of the date of this written opinion, consistent with the procedural rules for the judicial review of administrative agency decisions in Circuit Court (Rule 7-203, Maryland Rules).
