We are requesting an extension for 3 months until September 23, 2020

Describe the nature of the extension request. Provide a separate sheet if necessary.

The subject Administrative Subdivision application proposes to convert an existing deed parcel into 1 building lot. The subject property is a corner property with a long frontage along New Hampshire Avenue (MD Route 650). There is a master plan recommended on-street bikepath planned for this section of New Hampshire Avenue and it has been determined that the applicant is responsible for some portion of the bikepath. We have been working with Staff to determine a fair and equitable participation in this frontage improvement given the limited nature of this application. Furthermore, Staff has indicated that the Planning Director may defer the decision on this application and bikpath matter to the Planning Board and so a public hearing may be needed. Accordingly, we are requesting an extension of the review period for this application. We have requested 90 days in light of the fact that the Planning Board will be on recess in August.
