Summary
Section 50.6.3.B.3 of the Subdivision Regulations establishes the review procedures for an Administrative Subdivision application and states that:

“the Director must take action on an administrative subdivision plan or schedule a public hearing within 90 days after the date an application is accepted. The Director may postpone the public hearing once, by up to 30 days, without Board approval. The Director or applicant may request an extension beyond the original 30 days with Board approval. Any extension of the public hearing must be noticed on the hearing agenda with the new public hearing date indicated.”

20035 New Hampshire Avenue, Administrative Subdivision application was accepted on March 25, 2020, which established a Planning Board date no later than June 23, 2020. On June 18, 2020, the Planning Board granted a 3-month extension to September 23, 2020. The Applicant is requesting an additional 2-month extension, which will provide sufficient time for Staff to coordinate with County and State staff and come up with solutions on master plan required frontage improvements along New Hampshire Avenue. Granting the extension establishes Director approval or a Planning Board date no later than November 23, 2020.

Staff recommends approval of this extension request.
