THE MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION

March 8, 2017

Mr. Aaron Feldman
Montgomery County Department of Parks
9500 Brunett Avenue
Silver Spring, MD 20901

Dear Mr. Fedlman:

This letter is to inform you that Natural Resource Inventory/Forest Stand Delineation (NRI/FSD) 420170650, North Branch Trail, is approved. A forest conservation plan can now be submitted to the Development Applications and Regulatory Coordination (DARC) Division in conjunction with any application to which it is a necessary component. Upland specimen trees not shown on this plan but subject to disturbance, will need to be identified on the Forest Conservation Plan.

Since the property is subject to the Montgomery County Forest Conservation law there shall be no clearing of forest, understory, or tree removal on the subject site prior to the approval of a final forest conservation plan. If there are any subsequent modifications to this plan, not including changes initiated by a government agency, a separate amendment must be submitted to M-NCPPC for review and approval prior to the submission of a forest conservation plan.

To retrieve a copy of the approved plans with signature, go to the web page: http://www.mcatlas.org/Development_Info/default.aspx and enter to plan number shown above. If you have any questions regarding these actions, please feel free to contact me at (301) 495-4622.

Sincerely,

A handwritten signature in black ink, appearing to read "Katherine Nelson".
