Dear MCPB Chair Anderson,

As a bicyclist who lives in Takoma Park, I am writing in support of the plans submitted to Montgomery Planning for Section B of Takoma Park's New Ave Bikeway. The plans will be before the Planning Board on October 28, agenda item #14, mandatory referral MR2021024. I want Takoma Park to expand its network of bike routes throughout the City, and this Section B plan both furthers the City's initiatives as well as Montgomery County's Bicycle Master Plan. I ask the Planning Board to approve the plans so that the project can proceed.

With thanks,
Mike
