Summary

- Section 50.4.1.E of the Subdivision Regulations states that Preliminary Plans must be scheduled for a public hearing within 120 days after the date an application is accepted.
- The Application was accepted on January 15, 2022, which established an action date no later than May 12, 2022. The Applicant is requesting a first extension for a period of 6 months (Attachment A), which will provide sufficient time for the Applicant to address significant comments on site design and layout for the proposed subdivision and acquire the necessary approvals. Granting the extension establishes a Planning Board date no later than November 10, 2022.
- Staff supports the Applicant’s request to extend the review period through November 20, 2022.

We are requesting an extension for 6 months until 11/10/2022

Describe the nature of the extension request. Provide a separate sheet if necessary.

At the DRC there were significant property re-alignment requests. The owner wished to have the property under contract to purchase with a builder before committing to house footprint changes. That has recently occurred and the plans have been redesigned and are ready for resubmission.
