Re: Kingsview Station Extension Request for
Preliminary Plan No. 120210210
Site Plan No. 820210130

Dear Chairman Anderson and Members of the Board:

Our firm represents Kingsview Station Joint Venture (the “Applicant”) in connection with the above-referenced Preliminary and Site Plan Applications for the development of the Property located in the southeastern quadrant of the intersection of Clopper Road (MD Route 117) and Germantown Road (MD Route 118) (the “Property”). On behalf of the Applicant, and pursuant to Montgomery County Code Sections 50.4.1.E and 59.7.3.4C, we respectfully request a 150-day extension of the time in which the Planning Board is required to hold a public hearing on the above referenced Applications. The Applications were initially accepted on July 28, 2021. With the two previous extensions that have been granted, the regulatory review period for the Applications are set to expire on June 23, 2022.

The Applicant is requesting additional time to work through a few outstanding comments raised by Technical Staff. Accordingly, the proposed extension of 150-days would last until November 20, 2022, resulting in a Planning Board hearing no later than November 17, 2022. However, it is the Applicant’s intention to work with Staff during the review period so that the full extension period will not be needed.

Attached to this letter is a signed application for the requested extension. Thank you for your consideration of this matter.

Very truly yours,

Elizabeth C. Rogers
