ACCEPTANCE DATE

July 28, 2021

REVIEW BASIS

Chapter 50, 59, 22A

- Section 50.4.1.E of the Subdivision Regulations and Section 59.7.3.4.C of the Zoning Ordinance generally state that Preliminary Plans and Site Plans must be scheduled for a public hearing within 120 days after the date an application is accepted.
- The Application was accepted on July 28, 2021, which established a Planning Board date no later than November 25, 2021. On November 22, 2021, the Director granted a 30-day extension from November 25, 2021, to December 25, 2021. On December 23, 2021, the Planning Board approved a 2nd extension for a 6-month period from December 25, 2021, to June 23, 2022. A 3rd extension was approved by the Planning Board on June 23, 2022 to extend the regulatory validity for 6 months from June 23, 2022 to November 20, 2022.
- The Applicant is requesting a 4th extension for a period of six months to work through frontage improvements recommendations related to the Growth and Infrastructure Policy (“GIP”) and recommendations to underground existing above-ground utilities. Staff met with the Applicant in August 2022 regarding cost estimates for the GIP proportionality policy but has not received anything since that August meeting. In order to move this Application forward, Staff recommends a shortened extension of 3 additional months. Granting the extension establishes a Planning Board date no later than February 23, 2023. Granting the extension for 6 months, as requested by the Applicant, schedules a hearing before the Planning Board no later than May 19, 2023.
- Staff supports the shorter extension period to no later than February 23, 2023.

Re: Kingsview Station Extension Request for
Preliminary Plan No. 120210210
Site Plan No. 820210130

Dear Montgomery County Planning Board:

Our firm represents Kingsview Station Joint Venture (the “Applicant”) in connection with the above-referenced Preliminary and Site Plan Applications for the development of the Property located in the southeastern quadrant of the intersection of Clopper Road (MD Route 117) and Germantown Road (MD Route 118) (the “Property”). On behalf of the Applicant, and pursuant to Montgomery County Code Sections 50.4.1.E and 59.7.3.4C, we respectfully request a 180-day extension of the time in which the Planning Board is required to hold a public hearing on the above referenced Applications. The Applications were initially accepted on July 28, 2021. The Planning Board has granted previous extensions of the Applications, including, most recently, a five-month extension on June 23, 2022. Accordingly, the Preliminary Plan and Site Plan Applications are tentatively schedule for a November 17, 2022 Planning Board hearing.

The Applicant is requesting additional time to work through a few outstanding comments raised by Technical Staff. Accordingly, the proposed extension of 180-days would last until May 19, 2023. However, it is the Applicant’s intention to work with Staff during the review period so that the full extension period will not be needed.

Attached to this letter is a signed application for the requested extension. Thank you for your consideration of this matter.

Very truly yours,

Elizabeth C. Rogers
