Site Plan No. 820220210, Chaberton Solar Santa Rosa

---

Attached please find the corrected Planning Board Resolution for Chaberton Solar Santa Rosa, MCPB No. 22-13 for Site Plan No. 820220210. The Resolution was mailed out to all parties of record on January 6, 2023.

Minor corrections to the Planning Board Resolution are necessary because the adopted resolution incorrectly states the date by which the application was filed with the Montgomery County Planning Department. Additionally, the Applicant's name was not specified in a footnote which, for the purposes of the approval conditions, defines the term "applicant."

The revision does not alter the intent of the conditions approved by the Planning Board. The certified site plan will include the corrected planning board resolution. The corrected resolution will be mailed to all parties of record.
