Re: 7126 Wisconsin Avenue – Sketch Plan Amendment No. 32019003A, Preliminary Plan of Subdivision No. 120230020, and Site Plan Application No. 820230020 (collectively, the “Applications”) – Request for Second Extension of Review Period

Dear Mr. Bossi:

On behalf of Wisconsin Avenue Properties LLC (the “Applicant”), we are submitting this request for an extension of the review period for the Applications. Pursuant to Section 59-7.3.3.C of the Montgomery County Zoning Ordinance (the “Zoning Ordinance”), the Montgomery County Planning Board (the “Planning Board”) is required to hold a public hearing on a Sketch Plan application within 90 days of acceptance of the application, and per Section 59-7.3.4.C of the Zoning Ordinance and Section 50-4.1.E of Chapter 50 of the Montgomery County Code, the Planning Board is required to hold a public hearing on a Site Plan and Preliminary Plan of Subdivision, respectively, within 120 days of acceptance. With an acceptance date of November 2, 2022, the hearing on the Applications would have been required to be held by March 2, 2023. The Applicant previously submitted a request for a 30-day extension of the review period on the Applications, which was approved and extended the review period until March 30, 2023.

The Applicant and Staff of the Maryland-National Capital Park and Planning Commission are in agreement that a second extension is needed in order to allow time to complete the review process on the Applications, and has agreed that a two-month extension request should provide sufficient time to complete such review and establish a Planning Board hearing date. For this reason, we are submitting this request for an additional two-month extension on the Applications, and believe that the Applications can be scheduled for public hearing before the Planning Board on May 25, 2023.

Thank you for your consideration of this request. Please contact us should you have any questions or require any additional information.

Sincerely,

Wire Gill LLP
