Conditional Use Application No. 20-2411
Bradley Hills Animal Hospital

Dear Kathleen Byrne, Hearing Examiner,

It has come to my attention that my neighborhood veterinary practice, Bradley Hills Animal Hospital, has applied for Conditional Use zoning at the location where they have practiced Veterinary medicine for many years.

I am writing today because I want to state unequivocally that I am 100% in support of you approving this application. I understand Dr Weiss is not proposing any changes in his existing operations at Bradley Hills, and simply wants to continue doing the great work he has done for more than 20 years. Therefore, I cannot imagine any reason why you wouldn't approve their application.

Charlie Weiss, DVM, has been our local Veterinarian for almost 20 years. The hospital is very conveniently located close to our home, and I have no doubt I am one of many voices in our community who would be very unhappy if he weren't allowed to practice inside our neighborhood as he has since 2001.

Dr Weiss has our full support for keeping the hospital located exactly where it is. It is an understatement to say the entire community would be at a loss if Bradley Hills Animal Hospital were not in our neighborhood.

Regards.

Bradley Hills Animal Hospital
7210 Bradley Boulevard, Bethesda, MD

Ms. Kathleen Byrne,

I am writing today to express my strong support for the Conditional Use Application submitted by Dr Charlie Weiss on behalf of Bradley Hills Animal Hospital.

I bring my dog Brick to see Dr Weiss at Bradley Hills and I cannot stress enough how important this institution is to our community. I live in this area, and it is extremely important to my family that we have an exceptional veterinary practice in our neighborhood.

In addition, I understand that Bradley Hills Animal Hospital is not proposing any changes to its existing operations, and is simply seeking Conditional Use Approval to continue its long-standing use of that property. I can't think of any reason why they would not be allowed to continue doing their great work in serving our community.

Bradley Hills Animal Hospital is a fixture of this community and provides a much-needed service to residents with pets who need good healthcare. I am supportive of the proposed Application and request that the Hearing Examiner approve the Conditional Use.

Sincerely,

Conditional Use Application No. 20-2411 - Bradley Hills Animal Hospital

Dear Hearing Examiner,

I am writing today to express my strong support for the Conditional Use Application submitted by Dr Charlie Weiss on behalf of Bradley Hills Animal Hospital.

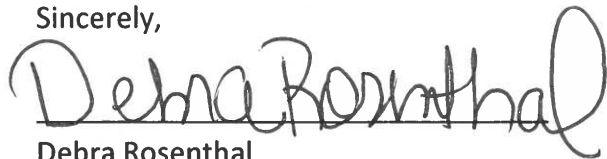

In my opinion, this institution is critical to the welfare of the animals in our community. I live in this community, and it is extremely important to me and my neighbors with family pets that we have an exceptional veterinary practice in our neighborhood.

In addition, I understand that Bradley Hills Animal Hospital is not proposing any changes to its existing operations, and is simply seeking Conditional Use Approval to continue serving our community as it has for decades.

I can't imagine why they wouldn't be granted the Conditional Use zoning so they can continue doing their great work in serving our community.

I am supportive of the proposed Application and request that you approve the Conditional Use.

Sincerely,

Keep Bradley Hills Animal Hospital in our Community.

To whom it may concern,

March 5th, 2024

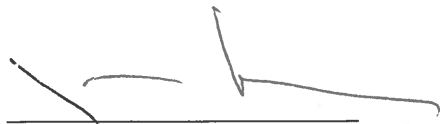

It has come to my understanding that my longtime Veterinary practice is seeking new zoning approval and I want to offer my support to keep Bradley Hills Animal Hospital in our community.

Charlie Weiss, DVM, has been our local Veterinarian for almost 20 years. Not only does Dr Weiss and his staff offer exemplary care to our family pets, but they are very conveniently located close to our home, and I have no doubt I am one of many voices who would be very unhappy if he weren't allowed to practice inside our community as he has since 2001.

My husband and I are residents of Montgomery County, and we live very close to Bradley Hills Animal Hospital. Dr Weiss has our full support for keeping the hospital located exactly where it is.

It is an understatement to say the entire community would be at a loss if Bradley Hills Animal Hospital were not in our neighborhood.

LETTER OF SUPPORT FOR KEEPING BRADLEY HILLS ANIMAL HOSPITAL IN ITS CURRENT LOCATION

To whom it may concern,

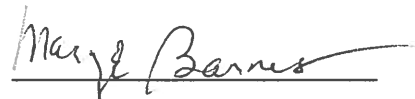

I have been a client of Bradley Hills Animal Hospital for a number of years. Their close proximity to my home is one of the many reasons I chose to take my pet to Bradley Hills Animal Hospital. I am very happy with the service I am given by the doctor and the staff at Bradley Hills. They are wonderful with my pets and not having them in this location would be a huge loss for our community.

I understand Bradley Hills Animal Hospital is applying for a new zoning permit and as a neighborhood resident and a tax paying resident of Montgomery county, I am offering my full support to have Bradley Hills Animal Hospital continue doing business in their current location.

It would be a huge loss to our community not to have Bradley Hills Animal Hospital in it current location.

Thank you for your consideration.

Ms. Kathleen Byrne,

On behalf of my entire family, I am offering our support for the Conditional Use Application submitted by Bradley Hills Animal Hospital.

As a community member and close neighbor of the hospital as well as a client of Dr Weiss's I want to state for the record that we are very happy to have such a fine Veterinary practice in our neighborhood and know many of our neighbors with animal companions feel the same way.

It is my understanding that Bradley Hills Animal Hospital is not proposing any changes to its existing operations, but rather is seeking Conditional Use Approval to continue its long-standing use of the property. I cannot imagine why you wouldn't approve this application and hope the planning board of Montgomery County will see their way clear to doing so.

My family and I are supportive of the proposed Application for Conditional Use.

We started bringing out pets to see Dr Weiss in 2013 due to his close proximity to our home. Of course, Dr Weiss is an exceptional doctor which is why we continue to seek his services, but it is the location of the clinic that originally brought us to Bradley Hills. I cannot imagine our neighborhood without Bradley Hills Animal Hospital here to take care of our pets. I am sure I am not the only voice in this community who would state this so fervently. I have friends in the community who would be as unhappy as I would be if Dr Weiss weren't allowed to practice inside our community as he has since 2001.

Conditional Use Application No. 20-2411
Bradley Hills Animal Hospital

Dear Kathleen Byrne, Hearing Examiner,

It has come to my attention that my neighborhood veterinary practice, Bradley Hills Animal Hospital, has applied for Conditional Use zoning at the location where they have practiced Veterinary medicine for many years.

I am writing today because I want to state unequivocally that I am 100% in support of you approving this application. I understand Dr Weiss is not proposing any changes in his existing operations at Bradley Hills, and simply wants to continue doing the great work he has done for more than 20 years. Therefore, I cannot imagine any reason why you wouldn't approve their application.

Charlie Weiss, DVM, has been our local Veterinarian for almost 20 years. The hospital is very conveniently located close to our home, and I have no doubt I am one of many voices in our community who would be very unhappy if he weren't allowed to practice inside our neighborhood as he has since 2001.

Dr Weiss has our full support for keeping the hospital located exactly where it is. It is an understatement to say the entire community would be at a loss if Bradley Hills Animal Hospital were not in our neighborhood.

Regards.

Ms. Kathleen Byrne,

On behalf of my entire family, I am offering our support for the Conditional Use Application submitted by Bradley Hills Animal Hospital.

As a community member and close neighbor of the hospital as well as a client of Dr Weiss's I want to state for the record that we are very happy to have such a fine Veterinary practice in our neighborhood and know many of our neighbors with animal companions feel the same way.

I understand that Bradley Hills Animal Hospital is not proposing any changes to its existing operations, but rather is seeking Conditional Use Approval to continue its long-standing use of the property. I cannot imagine why you wouldn't approve this application and hope the planning board of Montgomery County will see their way clear to doing so.

My family and I are supportive of the proposed Application for Conditional Use.

Sincerely,

RE: Conditional Use Application No. 20-2411
Bradley Hills Animal Hospital
7210 Bradley Boulevard, Bethesda, MD

Ms. Kathleen Byrne,

I am writing today to express my strong support for the Conditional Use Application submitted by Dr Charlie Weiss on behalf of Bradley Hills Animal Hospital.

I cannot stress enough how important this institution is to our community. I live in this area, and it is extremely important to my family that we have an exceptional veterinary practice in our neighborhood.

In addition, I understand that Bradley Hills Animal Hospital is not proposing any changes to its existing operations, and is simply seeking Conditional Use Approval to continue its long-standing use of that property. I can't think of any reason why they would not be allowed to continue doing their great work in serving our community.

Bradley Hills Animal Hospital is a fixture of this community and provides a much-needed service to residents with pets who need good healthcare. I am supportive of the proposed Application and request that the Hearing Examiner approve the Conditional Use.

Sincerely,

Regarding:

Application No. 20-2411 for Bradley Hills Animal Hospital - 7210 Bradley Boulevard

Dear Hearing Examiner Byrne:

Charlie Weiss, DVM, has been our local Veterinarian for 18 years. My family and I reside across the street from Bradley Hills Animal Hospital (literally) and we have always been grateful to have such a fine Veterinary practice in our neighborhood.

It has been brought to my attention that Bradley Hills Animal Hospital is seeking Conditional Use approval through your department I and want to offer my full support in keeping Bradley Hills Animal Hospital in our community.

There is no doubt that our neighborhood is enriched having this practice serving our community. We urge you to approve their application and allow them to continue practicing in our neighborhood.

Sincerely,

Sandy Katzman

Dear Hearing Examiner Byrne:

I am writing to express my support for the Conditional Use Application submitted by Bradley Hills Animal Hospital. There has been an Animal Hospital at that location that has served my community since the 1970's and having it there has been an integral part of our neighborhood.

I understand that Bradley Hills Animal Hospital is seeking this Conditional Use to allow for their continued operation of a full-service animal hospital on that property in order to continue to serve the needs of our community and I fully support the proposed Application.

Sincerely,

Sarah L. Andre

Dear Hearing Examiner Kathleen Byrne,

I am writing to you as a tax-paying resident of the Bethesda community and as the parent of an animal companion named Daisy. I want to express my strong support for the Conditional Use Application submitted by Dr Charlie Weiss on behalf of his practice called Bradley Hills Animal Hospital.

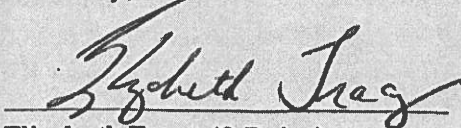

This animal hospital, which has been in our community since the 1970's is an institution of our neighborhood and serves the needs of so many animal parents who live here.

It is difficult to find a good animal hospital, and Dr Charlie Weiss serves our community with integrity and kindness – we would be very unfortunate to lose him and the hospital as so many of us have grown accustomed to having his services so close to our homes.

The animal hospital not only meets an important need for the people and pets in our community – it allows us to have peace of mind that a good and talented veterinary doctor is available to us right in our backyard.

I offer my full support in the approval of the Conditional Use application. It is my hope that you will approve their application and let them continue to serve our community.

Sincerely,

Elizabeth Tracy (& Daisy)

Re: Conditional Use Application No. 20-2411
 Bradley Hills Animal Hospital - 7210 Bradley Boulevard, Bethesda, MD

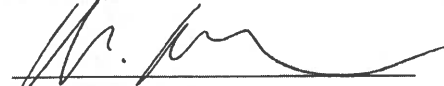

Dear Ms. Byrne:

I am writing to offer my full support regarding the Conditional Use Application submitted to your office by Bradley Hills Animal Hospital.

Bradley Hills Animal Hospital and Dr. Charlie Weiss have served this neighborhood for over 20 years and we would be quite dismayed if they weren't here. As a local resident, a BHAH client and the next-door neighbor of the animal hospital, I feel uniquely qualified to assert that having Bradley Hills Animal Hospital in our community is not only an asset to those of us residing in this area, but it is a welcomed institution by everyone who has a beloved animal companion in our neighborhood.

I understand that Dr. Weiss is seeking this Conditional Use zoning permit to allow Bradley Hills Animal Hospital to continue operating as a full-service animal hospital on the property right next to mine. I am in full support of having this application approved and allowing Dr. Weiss to continue to serve the needs of our community.

Sincerely,
