Plan: Brooke Meadow Preliminary Plan Amendment Number:
11994013A

My husband, Joseph Young, and I, Laura Young, OPPOSE the Proposal for Request for new 5-year Adequate Public Facility period for remaining five (5) unbuilt lots on Preliminary Plan No. 119940130, which was approved for 27 lots for 27 single-family dwelling units located at the northeast quadrant of the intersection of Brooke Road and Chandlee Mill Road.

We live on Brooke Road near this intersection. Our neighborhood is already a diverse neighborhood. I don't like how it will affect our neighborhood in many ways. We are elderly and unable to attend this meeting.

This was short notice of this plan change so I unfortunately am responding hours late on this matter.

Sincerely,
Laura Young
