Subject: Viva White Oak

Dear Emily,

I enjoyed our conversation today. I hope I can be helpful with the Viva White Oak project. I have been in touch with the developers and offered to share ideas with them.

As promised, here is some background information:

Thanks for your time and the conversation today.

Here's the link to Percontee mining permit/environmental info I mentioned:

<https://perconteereclamation.com/gravel-quarry-md-documents/>

And attached are the files I promised.

Regards,
Eileen
